9/1924) A village court was established at Doddalakalli, Kankanhalli Taluq in July 1915. 153 cases are said to have been filed till now in that court. On an average the court has 44 cases in a year or about 4 cases a month. In this heavy working work, the D/ Court considers the appointment of a "Summons Peon" on Rs 10/ a month. expenditure proposed is not quite commensurate with the work turned out. Further, a fee of one anna is received for every Summons & a witness or defendant residing in the village which jurisdiction of the village (which is the village itself) and 2 annas for a summons to a witness outside the jurisdiction. Government have already ordered that the fees received may be paid to the persons serving the Summons. The village servants have usually to serve the Summons (vide S. 9 of the Regulation). The small payments to the Village Servants of the fees received will come in very handy, and will be much appreciated. It does not appear desirable to appoint another agency for this work, and pay them a heavy salary as proposed. A large number of Courts will have to be established in the Taluk, and the people appointed for Village Court Munsifs are expected to do the honorary work and no payment should be expected by them. Only one register is maintained where is no record of evidence. Only the decision (not even the reasons for the conclusion) is noted. There will probably be not more than 4 entries in one register for a month. This a point for orders whether the proposal or the recommendation is one that may be accepted.

Sir,

With reference to Government Notification No.J.3283/Cts.11-13-27 of the 29th March 1915, sanctioning the establishment of a "Village Court" at Dodalahalli in the Kankanhalli Taluk, I have the honor to state that since its establishment from the 21st July 1915, the court had on its file 153 cases of which 139 were disposed of. The services of a literate man under the designation of "Summon Pade" are urgently necessary to write the court Registers and to serve the summons. I request that under section 10 of the "Village Courts Regulation" No.VII of 1913, the entertainment of an official on Rs.10/- per mensem may be sanctioned.
